

PHOTOGRAPHER'S GUIDELINES

Dear Photographer:

Thank you for contacting us regarding the submission of photographs for greeting cards. If you are interested in successfully submitting material to CMP, let us take this opportunity to give some direction.

First of all, we specialize in Adult Humor. Our product deals primarily with two types of situations... Outrageous and Sexual. The Outrageous Situations involve fat people, old people, dweeby people, ugly people, or those suffering from two or more of these definitions. The Sexual Situations may involve really hot men and women, or the above aforementioned fat, old, dweeby, ugly, etc., engaged in various forms of suggestive poses. Tasteful frontal nudity is being accepted for our Naughty Nudes & Boy Town News lines. Sexy, HOT, but please - professional shots only. NO AMATEUR PHOTOS!

If you have a line that you fell goes along with the image, PLEASE, submit it. We all like jokes, but jokes do not sell cards! Remember the line must have direction and express a sentiment.

Photos can be submitted two (2) way: email - production@cmpmarket.com or by mail to:

ComstockMarketPlace, Inc.
5245 Vista Blvd #F3-195
Sparks, NV 89436
ATTN: Production Photos

Please submit Christmas or Valentine photos at least four (4) to five (5) months in advance. Make sure you send a self-addressed stamped envelope (SASE) with your photographs if you want the photos returned. All photos received without a return envelope will be discarded after three (3) months. Most photos are returned or commented on within that same time frame.

We looked forward to seeing your photographs!

Good luck!
